Superintendent's Highlights

Significant personnel changes occurred in the Spring of 1998 following coincidental retirements and resignations of a number of key positions. The district bid farewell to its clerk, superintendent, superintendent's secretary, high school principal, technology administrator and several teachers and custodians. Amid such change, however, programs remain, the direction is positive and other excellent staff remain.

This coming year looks to be a time of definition, renewed commitment and planning for technology integration and training.
